

Social Issues:

- **Doctors who perform abortions should be criminally charged.**
- **Recreational Marijuana should be banned.**
- **Regardless of contemporary political ideas, Confederate statues are important part of our history and should be maintained.**
- **Transgenders should be allowed to serve in the United States Military.**
- **Black Lives Matter has done more harm than good.**
- **America is a Christian Nation.**
- **People under the age of 18 should be allowed to take hormone replacement therapy and gender reassignment surgery.**
- **Legislation should be brought about to ban Internet Pornography.**

Immigration:

- **A temporary freeze on all forms of immigration would be beneficial to America.**
- **ALL illegal immigrants regardless of their arrival in America should be deported.**
- **English should be mandatory for all immigrants entering America.**

Big Tech:

- **Social Media companies should be punished for censoring conservative voices on their platforms.**

Electoral Integrity/Issues:

- **Voter ID laws are common sense and should be enforced at all levels.**

National Security:

- **America should strategically remove troops from the Middle Eastern Countries such as Afghanistan and Syria.**
- **In all cases, a policy that positively affects another country but is to the detriment of America should not be pursued.**
